

## **Ms. Laura Lee Kamppila (Finland)**

Osteopath (Bachelor of healthcare), Dancer (BA)

## **Round Table Discussion – Sunday 25. September from 9.30-10.30**

### **BIO**

Laura has worked as an osteopath in Helsinki since her graduation from the Metropolia University of Applied Sciences in 2015, focusing among other things in women's health and occupational healthcare. She has been active within the Finnish Osteopathic Association as a board member since 2016 and now serves as the president of the association. In addition to clinical and political work, she is a lecturer at her former educational institution and head of the new Master's Degree in Osteopathy. Laura is a board member of the EFFO, chairing the Communications Committee and a board member of the OIA. She has enjoyed being a part of the Nordic Osteopathic Association since the start of the collaboration.
